COMMERCIAL LAW

Rules of the game: who masters the rules of the game can use them in his interest.

- documents drafting, contracts, including bilingual;
- daily business consulting;
- specialized legal advice on projects;
- negotiations;
- auctions.

CORPORATE LAW

The vehicle must be chosen according to the destination: the design and adaptation of the outer structure of your business (commercial company) to be able to achieve your goals.

- registrations and changes of companies;
- divisions, mergers, acquisitions;
- cancellations of business registration and liquidations.

LABOR LAW

The most important asset of a company is the human resource: establishing clear procedures, labor law can become an effective tool for development.

- consultancy regarding the broad labor legislation;
- assistance in drafting the documents required by law, such as internal regulations, labor contract, collective labor contract etc.;
- assistance in implementing the companies' restructuring decisions, in accordance with the applicable law;
- assistance and representation in front of competent bodies and courts.

REAL ESTATE

N*ecessity: even if is not considered the “Queen of Business” anymore, real estate transactions will, at some point, be a part of our lives.*

- assistance in preparing and selling/buying a property;
- assistance in negotiating, drafting and signing mortgage contracts with financing banks;
- assistance in concluding any other transactions concerning real estate transactions.

LITIGATIONS

T*he escalation of disputes: through our way of working we try to avoid disputes and find a path to reach agreement, but if this thing is not possible, we enter the battle with strong determination and desire to win.*

- commercial litigations;
- debt recovery;
- challenging in court the unlawful documents issued by the authorities.

COMMERCIAL CRIMINAL LAW

F*reedom boundaries: in all your demarches you will have to know exactly where to stop and how to react and defend in exceptional circumstances.*

- assistance and representation in front of the criminal investigation bodies;
- assistance and representation in court.

ASSOCIATIONS & FOUNDATIONS

Social responsibility: *there comes a point in our lives when we want to give back to society a part of what we got.*

We work together with you to implement the plan of your dreams:

- setting up and modification of associations and foundations;
- consulting services in drafting the documents related to members, partners and suppliers, in accordance with the law.

ADMINISTRATIVE & TAX LAW

Tax payment is a civic duty and a clever entrepreneur pay increased attention in optimizing them.

In the current socio-economic context, we clearly oppose to abuses committed by fiscal agents, through:

- legal advice for the economic agents regarding debts and taxation;
- representation in court processes with state authorities.

T testimonials

“They have responded to our requests promptly and clearly. The provided legal assistance was of quality and in accordance with our needs and requests. Professionalism is the main quality of this law office.”

“We highly appreciate the promptness and reliability of the team, their fees and the quality provided for legal services, and also their relationship with clients. Good job!”
